19th May 2025

Dear Parents and Carers,

We are excited to announce that this Summer Term, Aldingbourne School will be running their first ever **Colour Run!**

This will take place in the afternoon of Friday 13th June and all students are welcome to take part.

What is a colour run?

It's an exciting event incorporating fitness, fun, colour and of course getting a little bit messy. If you want to take a look, click this link for a video.

All school pupils are encouraged to take part in this event. This is the first colour run to be held at Aldingbourne School and we're all super excited. As this is our first time, the run is only available for the children as we trial it out. We really hope to run this event again in the future and allow for siblings, adults and families to take part.

How will it work?

The children can run or walk two laps of the school field whilst being showered with an explosion of different colours and water at various points around the track.

All children participating will do the colour run in their year group with an adult.

What time and where will it take place?

The run will take place in the afternoon on Friday 13th June. This will be a NON-UNIFORM day, so we encourage you to think carefully about what your child wears.

The children will change into their white t-shirt in the afternoon ready for the event to begin at 1:30pm. This will not affect the timings at the end of the day.

How much does it cost?

The cost of this event is £5.00. This will cover the cost of a white t shirt, the colour powder, a medal and an ice lolly for after the event. This event is totally optional. If you don't want your child to take part, they can still come out and watch and cheer on their friends. **Mrs Johnson will email payment codes out separately.**

Health and Safety

All measures have been taken to ensure that this event is safe for all children.

The colour powder used in the event is non-toxic, biodegradable and environmentally friendly and will not cause harm to participants. It will likely wash out of your child's clothing, however we recommend that you consider the possibility of minor staining when selecting your child's clothing for the event.

PLEASE DONT WEAR ANYTHING YOU DONT WANT TO SPOIL.

In order to take part the children must wear any type of **GLASSES OR GOGGLES**. If they don't have these, they won't be allowed to run. This is in place to protect your child's eyes and our colour throwers will be instructed to throw the powder from the shoulders down.

We really hope to make this event as fun and successful as possible.

Attached is some extra information in regards to safety. Should you not find the answer to your questions in this FAQ sheet, please send an email to the office where hopefully Miss Spencer can answer your questions.

Thank you for your continued support.

Miss Spencer and The MCM
